Oh Clarion, dear Clarion,
Oh college on the hill,
To all the joys of student life
Our hearts will ever thrill.
Your silent winding river
It haunts me still.

Oh Clarion, dear Clarion,
We pledge our faith to you,
With lasting love and loyalty
In everything we do.
To you dear Alma Mater
We'll ever be true.

Dr. Paul G. Chandler

To the Class of 1957

You will be taking teaching positions at a time when teachers are scarce and salaries are improving. These circumstances are due to the fact that you were born during the depression when there were few babies. You were too young to know of the depression hardships. You have seen two wars and the atomic bomb but most of you have not suffered military hardships. May fortune always smile thus upon you.

Under the able direction of Dr. Pierce the seniors prepared for a busy and exciting final year.

The initial event of the year was Homecoming which kept the seniors in full swing with all the necessary preparations to make it a most memorable occasion. January graduation brought a loss to the class because many of its members left to take their place in the teaching profession. Second semester found the seniors sponsoring Twirp Week, an annual event of the college. Committees of seniors planned the schedule, set up rules, and took care of publicity.

In May, undergraduate work was brought to a close by the Baccalaureate and Commencement services.

In the days to come we shall always remember the "College on the Hill" and the many memories it holds for us. We shall never forget the Student Union, sports activities, dances, eight o'clock classes, the faculty and many friends made during the four short years.

Back again, for their third year on Clarion's beautiful campus, the juniors eagerly entered into college life. This year brought Junior Observation and Student Teaching to many of the Elementary Majors while the Secondary Majors continued with their course of study.

Representing their class in the Homecoming Court were Doris Staley and Marie Myers. Margaret Gourley reigned as White Rose Queen of Sigma Tau Gamma.

Under the able direction of President Tony Zissis, the juniors sponsored the annual Christmas Dance, December 8. The theme used for the dance was "The Holly Hop" and Harvey Gym was gaily decorated. Music was provided by the West View Dance Band.

The juniors express their deep appreciation to Dean Moore, their faculty sponsor, for the help and guidance he has given them. They are looking forward to working with him next year.

Once again the saphamores returned to Clarian eager to resume their work and to enjoy the fun of their second year at college. Tony Donghia, once more, was elected class president. He and the other officers led their classmates through another successful year with the assistance of Dr. Alpha Bernard, class advisor.

A class meeting was held at which time Jan Baar and Beverly Reese were elected to represent the saphamore class as Homecoming Queen attendants.

The outstanding event for the saphamore class this year was the gala pre-Easter dance. It will long remain in the memories of those who attended.

The saphamores hope to make the next two years at "the college on the hill" as profitable, warthwhile and happy as their first two years have been.

September 10, 1957 was the big day for the Freshmen, registration day. Following registration we were kept quite busy with tests, pictures, and orientation.

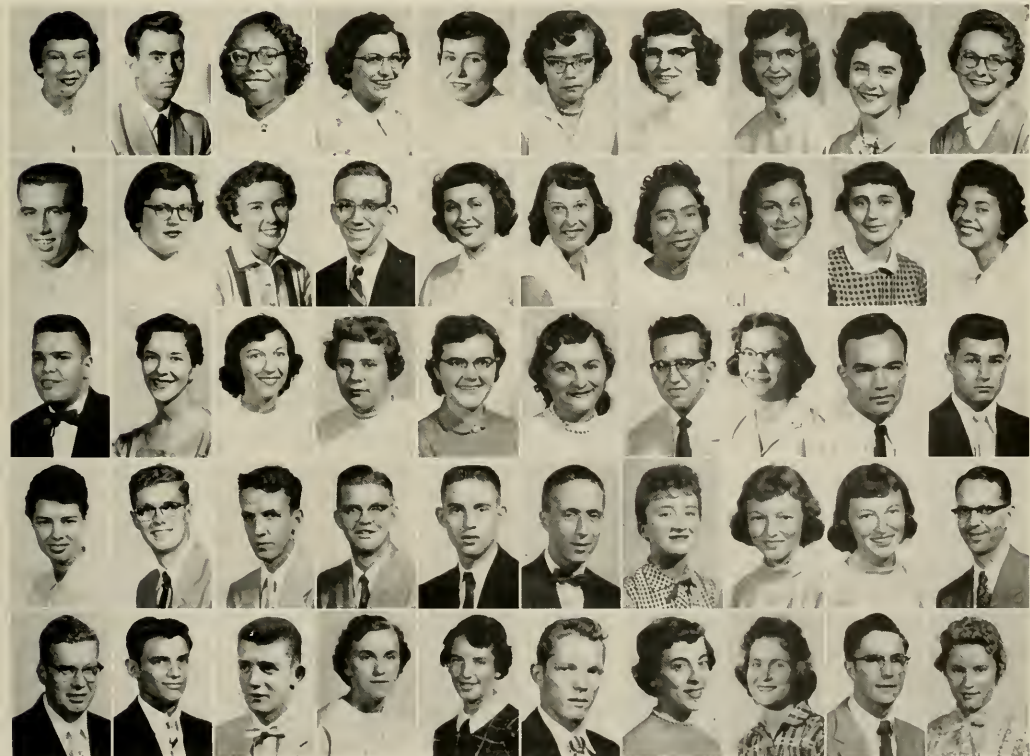

The first big activity in which we had a chance to participate was the Homecoming Parade and Dance. Two charming freshman girls, Pat Murray and Lucy Harris, were attendants to the queen. It was a day that will long be remembered by us, especially the parade, floats, football game, and dance.

At mid-semester we got our first introduction to exams and comments, now we realize that college life isn't all play but quite a bit of work.

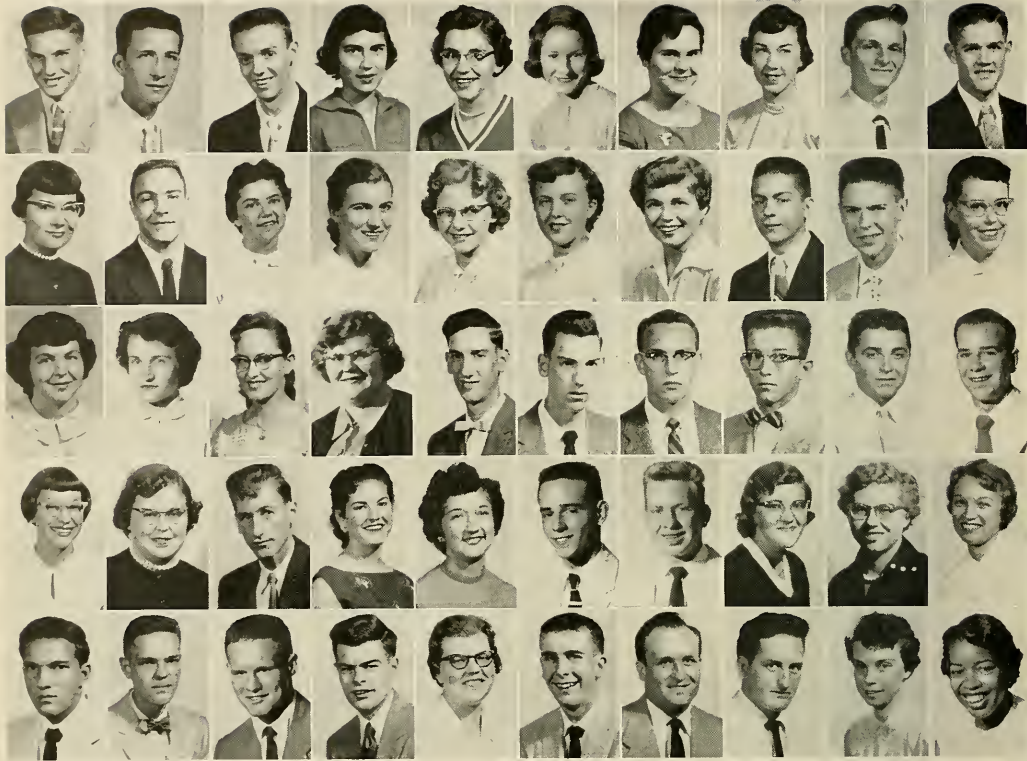

The main event of the year for our class was the Annual Spring Dance, an occasion we will not forget.

The Student Senate is made up of representatives of the student body and is concerned with the welfare of Clarion students. The Senate carries on its business under the guidance of Dr. Paul G. Chandler.

The first business of the year was the election of officers. Nominations are made during an assembly period and the entire student body participates in the voting.

Other business this year included: discussing and approving the school budget; setting up the rules for Freshman Week; sending representatives to the annual Student Government Conference; and sponsoring the "Miss C. S. T. C." contest.

First row—Patti Hart, Pat Hoffman, Frances Walsh, Carole Fibick, Jalinda Whittle, Louise Sims. Second row—Pat Mullen, Ellarose Kennedy, Ben Lindberg, Paul Terwilliger, Gardan Eckman, Francis McGuirk, Judy Rupert, Dora Hetrick, Jan Harris.

Recognition by Who's Who in American Universities and Colleges is awarded students who have been outstanding in scholarship, school activities, and citizenship and who give promise of future usefulness. These students are nominated by a faculty committee, then formally accepted by the organization.

The 1956-57 edition of Who's Who in American Universities and College will contain the names and biographical sketches of fifteen Clarion seniors who will be added to the list of other students from approximately 675 other colleges and universities.

Who's Who in American Universities and Colleges was organized in 1934 in order to render service to students of outstanding ability and leadership by acting as a placement and reference service. Members are awarded a certificate of recognition and are permitted to wear the key emblem of this organization.

The Women's House council is the governing body for the women's dormitories. Each year the House council plans an extensive program which helps the freshmen become better acquainted with college life at Clarion. Other activities include monthly house council dinners, inter-council dinners, and the annual Christmas party in Becht Hall.

The Social Committee consists of one member from each class. It has as its main purpose the planning of all social events for the school year. All social events must go through this committee and much time and thought are put on the planning of the social calendar.

Miss Grace Pryor, Dean of Women, is the advisor of the Women's House Council and the Social Committee.

On September 21, 1956 the Ballentine House Council was founded for those students living in Ballentine Hall. The Council was formed under the sponsorship of Dr. King to: discuss grievances of the students, assist in promoting harmony and maintaining order in the dormitory, present suggestions that would make life in the dormitory more pleasant, and to aid freshmen in adjusting to college life and dormitory living.

Among the social functions sponsored by the Council was an "Open House" on Homecoming Day and several dormitory parties.

The success of the first year of the Ballentine House Council points toward the continuation of this organization. The fine cooperation given the Council by the administration and the students residing in Ballentine has made it a most desirable and pleasant place to live. The large turnout for "Open House" necessitates that this become a tradition at Clarion.

The Press Club is made up of members of the **Clarion Call** staff. To attain membership, a student must first successfully pass a test covering the basic fundamentals of journalism.

Editors of the **Call** are elected by the club members. Sandy Maxwell headed the staff this year with Lynn Alter as assistant editor, and news editor. In charge of the other departments were: Floyd Barger, feature editor, and John Morrow, sports editor.

Through the publishing of the **Call**, the members are given invaluable experience which prepares them for the supervising of high school publications. Each year several local newspapermen speak to the Club, thus giving the staff helpful suggestions for a better paper.

Spring usually finds the Press Club joining the Art Club in an annual social evening.

Each year a number of projects, limited only by the lack of time, are carried on. In '56 and '57 Art Club members dabbled in oil and water color painting, ceramics, textile enrichment, leather work and sculpture with various materials, turning out some very creditable products.

One of the chief projects of the year was a very extensive display of masterpieces some of which will be purchased for the school. Also various social activities are scheduled throughout the year.

Much credit for the continued success of the Art Club goes to the sponsor, Mr. Spence.

Under the able leadership of its officers and sponsors, Dr. Pierce, Dr. Shank, and Dr. Lewis, the S.C.A. continues to be by far the largest organization on campus.

Twenty-six years ago Sigma Delta Phi, a local sorority, was organized on the Clarion campus for the purpose of forming lasting friendships and developing high ideals among its members. Basic requirements of the Sisterhood are high personal character and academic achievement.

Homecoming was made a memorable occasion by the election of Marilyn Ginkel as Red Rose Queen of Delta Kappa, the float which carried out the theme, "The Man with the Golden Arm", and a tea held in the Colonial Room.

The Delta Kappa fraternity entertained their sisters at a big spaghetti supper. Other activities included: a Christmas party for the D. K.'s, the Rush Party, a Mother's Day Tea, the forest weekend, and a party for the seniors. As a social service project the Sisters prepared a Christmas basket for a needy family.

Phi Sigma Pi, a national, honorary educational fraternity, is a senior member of the Professional Interfraternity Conference. Lambda Chapter in Clarion was organized in 1932.

The fraternity's purpose is to attain high scholastic achievements and maintain the highest educational ideals in all fields of education. A 1.75 average is necessary to be eligible for membership in the fraternity.

The sponsors include Dean Moore, Mr. Becker, and Dr. Still who are all active members of Phi Sigma Pi.

The chief activities of the fraternity include professional meetings consisting of talks by educators in the field today. A Founders Day Banquet, which is an annual affair, is looked forward to by all.

One of the leading national honor societies at Clarion, Pi Gamma Mu, is composed of students in the field of social science who have completed twenty hours in that field with a B average.

Pi Gamma Mu has as its purpose the improvement of scholarship in the social studies, the inspiration of social service to humanity, and the development of an intelligent approach to the solution of social problems in the world.

The Iota Chapter located on this campus is one of more than one hundred chapters of the society in the United States.

The official journal of Pi Gamma Mu, *Social Science*, is published quarterly and distributed to the new members of the various chapters.

Mr. Meod, Jim Wigton

Alpha Psi Omega is the largest national honorary dramatic fraternity in the United States. Clarion's Alpha Upsilon Chapter was founded in 1936.

Membership in this fraternity is restricted to those who complete the necessary work in dramatics. Because national requirements are high, including participation in both acting and stage work, membership is small and is considered a coveted honor.

At present, James Wigton is the only member of the Alpha Upsilon Chapter. The faculty advisor is Mr. Ralph Meod.

Local football fans were well acquainted with the blue and gold clad band whose interesting routines provided the half-time entertainment at the college games, both home and away. The colorful Homecoming Parade was led by this snappy outfit, which also participated in several community parades. An assembly concert was presented to the college in the Chapel on March 21.

Senior members were Marjorie Daum, Patti Hart, Dora Hetrick, and Marsha Querio.

Flying plumes, jaunty hats, snappy marching music, and twirling batons are a few of the trade marks of these majorettes. Under the leadership of Judy Ousler, the women won the admiration of both home and visiting fans at the football games and parades.

Judy Ousler is the only graduating member of the group.

Under the efficient direction of Mr. Walter Hart, the Clarion College Choir had a very successful year.

The Choir consists of students who are interested in choral work and who wish to participate in musical activities while attending college.

This year the A'Cappella Choir was composed of fifty-five men and women with well blended voices singing four and eight part music. Their repertoire consisted mostly of sacred selections, but also included secular numbers used in the high school programs. A number of soloists in the organization added color and highlights. Another special feature this year was the addition of an instrumental ensemble which performed with the Choir.

During the Christmas season, the Choir presented Handel's "Messiah" in the college Chapel. This is an annual event.

Second semester the Choir made its tour of churches and high schools in surrounding communities.

Those graduating are Donna Bauer, Ruth Bock, Marjorie Daum, Patti Hart, Pat Hoffman, Beverly McDowell, Judy Ousler, Nancy Pence and Barbara Swetsky.

The Golden Eagles of Clarion State Teachers College were hampered by a series of setbacks in the 1956 season.

The season got under way at Clarion with a thrilling 13-6 victory over a strang Edinboro eleven. The Golden Eagles then visited the Bearcats of St. Vincent where they lost a hard-fought battle 13-0. On October 6 they traveled to Brackport where they outclassed the New Yorkers in everything; however, the score did not indicate this. The game ended with Clarion on the losing end of a 12-7 decision. The following week in the annual homecoming game Clarion was defeated 20-7 by the sparkling team of John Carroll University of Cleveland. Clarion reached the lowest ebb of the season when they faced the onslaughts of the Indians at Indiana, but the Eagles soared to their most decisive win when they defeated California State Teachers College at home 21-0. As the season neared its close, Clarion was halted by the Rockets of Slippery Rock by a scare of 16-6. The final encounter of the season saw Shippensburg State Teachers College hand Clarion a 21-0 defeat.

Mr. Tippin's coaching produced, as usual, some outstanding players such as John Lovre and Steve Zigarovich who were elected to the All-State football team.

Mr. Tippin

The close of the 1956 football season brought to an end the 31 year coaching career of Mr. Waldo S. Tippin. Mr. Tippin came to us as coach and athletic director in 1935 and has assumed these duties until the present day.

With the completion of his illustrious career the men of the coaching circles throughout Pennsylvania will miss a fine coach and friend. We at Clarion are fortunate because Mr. Tippin will remain here in his present status as athletic director and instructor.

Through the years at Homecoming and other college celebrations many of "Tips" former players and students make their way back to Clarion to renew old acquaintances with the man who has been not only a coach and instructor but often times father to many of the boys here at the college on the hill.

The student body and faculty wish to extend congratulations to Mr. Tippin for a job well done as coach, and most of all "molder of men of the highest quality."

The Eagles record for the '56-'57 season shows 7 wins and 11 losses. Although the record was not as bright as was expected, the team was a great improvement over last year. Many exciting games were played which showed evidence of much skill and experience on Clarion's squad.

The season began with a thrilling 80-79 overtime victory over California. Later in the season the Eagles came out on top of Edinboro in another overtime game.

Three valuable players on this year's team were seniors George Reed and Bab Murphy, co-captains, and Ran Buck. Dick Danielson, sophomore, was high scorer for the season. Coaches Carnahan, Johnson, and Wiberg deserve much credit for developing the fine playing ability and sportsmanship which was so much a part of our team.

Mr. Tom Carnahan

In 1946, upon the completion of his military service, Mr. Carnahan came to C. S. T. C. as an assistant football and basketball coach. In 1948 he assumed the position of head basketball and tennis coach, which he is holding at the present day.

His record as basketball coach at Clarion stands at 63 wins against 56 losses. His tennis record is 21 wins and 20 defeats. In 1948 he had the great pleasure of coaching a tennis team which had 8 successive matches without defeat.

Mr. Carnahan is well known in the sporting circles of this area, and is regarded by many as a "square shooter" and a fine friend.

Piloted by faculty coach Mr. John Mellon, the 1956 Golden Eagles nine turned in a fairly good season, winning three and dropping four. The most impressive win of the '56 season was a 13-6 victory over highly rated Westminster on the locals home diamond.

The bulk of the pitching chores fell on two of Clarion's better pitchers, Jack Moore and Ed Trenski. The offensive end of Clarion's attack featured the hitting of Fagley, Bucar, and Weir, all who hit well over .200.

The administrative duties for the '57 season will fall upon a new faculty member, Mr. Ernie Johnson. Assisting Mr. Johnson will be a student coach, Gordon Porter. The return of many experienced players plus new freshmen candidates should prove very successful for the coming season.

For the first time in three years the Clarion netmen made an appearance on their home court. In home games the team won one and lost two. The overall record for the year showed one win against five losses.

Seniors playing in the 1956 season were Bill Hajdukiewicz, Dick King, and Jahn Caffman. A host of experienced netmen will be available for the '57 season. This team of '57 will show the faces of Lutz, Brachetti, Miller, Westcott, Davis, Murphy, Wigton, and Pesarcik. Mr. Carnahan is the capable coach of this group.

The experience gained in preceding matches should be of great value in the coming season.

Representing girls' athletic activities on campus is the Women's Athletic Association. This organization's aim is not only to stimulate interest in girls athletics, but to foster the spirit of good sportsmanship in friendly competition.

The intramural program consists of badminton, volleyball, basketball, ping pong, softball, and tennis. The above would constitute the activities and the only projects that the club would have aside from giving the girls a guiding hand in their relationship to athletics, officiating and coaching.

Through the combined efforts of George Wollaston, chairman, the cooperation of the clubs and fraternities, the Homecoming parade having the theme "Movie Titles" was a great success. Prizes of \$40, \$25, and \$10 were awarded by the Clarion Chamber of Commerce to Sigma Sigma Sigma, Delta Zeta, and Alpha Gamma Phi respectively for the best floats.

Miss Imogene Radaker the Homecoming Queen, a charming senior from Parker, who was chosen by the student body and crowned during the colorful half-time ceremonies by co-captains John Lovre and John Raso, reigned over the day's festivities. Serving Queen Imogene in her court were Pat Hoffman, Sally Sutton, Marie Myers, Doris Staley, Jan Boor, Beverly Reese, Lucy Harris, and Pat Murrey.

The theme of the dance, "The Greatest Show on Earth", was chosen by the dance committee headed by Patti Hart and Marshaline Querio. The dance was well attended, repaying the seniors for the time spent in decorating and making arrangements.

The 1956 Homecoming with its parade, gala floats, football game, coronation, teas, and dance was an event that will long be remembered by everyone present.
